### Instructions for Submitting Comments via E-mail

The East Bay Regional Planning Unit (RPU) is pleased to release the 2017–2020 East Bay Regional Plan Draft for Public Comment. The local workforce development boards that comprise the East Bay RPU, the Counties of Alameda and Contra Costa and the Cities of Oakland and Richmond, collectively developed this Regional Plan Draft with input from our partners and stakeholders. The plan focuses on our goals and strategies for building regional sector pathways and regionally coordinated workforce services to better meet the needs of employers and job seekers in the region.

The Regional Plan Draft for Public Comment will be posted for the 30-day period of **February 3 – March 4**. The East Bay RPU will include all public comments in our final submission of the Regional Plan to the State of California Labor and Workforce Development Agency.

Please note that the final Regional Plan will be submitted to the State along with separate *local plans* for each of the above local workforce development boards. If you have comments on *local service delivery* and *coordination among local partners*, please refer to your local workforce development board’s website for more information about their local plan. Links to those local plans can be found on the **EASTBAYWorks** website, [www.eastbayworks.com](http://www.eastbayworks.com).
