

# JOB SEEKERS

We can help you start or enhance your career!

Now is the time to prepare for a new career, learn new skills, or get advice from a Career Coach about the next step in your career.

## No-Cost Services for Job Seekers

### • Employment & Training Assistance

- Workshops: job searching, resume development, interviewing skills, and networking
- Case Management and Coaching for WIOA enrolled individuals
- Employer Connections to job fairs and employment opportunities
- Occupational Training (up to \$5,000 towards training)
- Additional Supportive Services: transportation assistance to training or interviews, or acquiring required training materials

### • Online Training through Metrix Online (SkillUp Alameda)

Acquire new skills or enhance existing skills, or earn industry-recognized certificates that highlight your achievements among employers.

Assistance is available for all job seekers including English language learners, individuals with disabilities, and justice-impacted job seekers.
